

**Sub: *InterDrought-V: Book your hotel accommodation now!***

*[This e-mail is sent to several email lists, therefore duplications are bound to occur. In case you receive it more than once, please accept our apologies for inconvenience, if any. Thanks!]*

**Dear Colleagues,**

InterDrought-V will be held in Hyderabad International Convention Center (HICC), Hyderabad, during 21-25 February 2017. We warmly welcome your participation in the Congress.

We wish to inform you how to pay the conference registration fee, book your accommodation and direct your attention to the conference website <http://ceg.icrisat.org/idV/home.html>. The website is continuously updated, and we hope that it will provide answers to many of the questions that you may have.

With an objective to encourage participation of large number of researchers, a minimal registration fee for regular participants and a very special registration fee for Pre-PhD students has been planned. Please avail this opportunity as soon as possible by clicking [here](#).

**Registration:**

Registration for the ID-V, to be held in Hyderabad International Convention Center (HICC), Hyderabad, 21-25 February 2017, is now open.

	Regular	Student (Pre- PhD)
<b>EARLY BIRD (Before Nov 30, 2016)</b>		
Delegates from Indian Organizations	INR 12000	INR 8000
Delegates from International Organizations	US\$ 500	US\$ 350
Delegations from Industry (India)	INR 50000	
Delegations from Industry (International)	US\$ 2500	
<b>LATE (Before Jan 25, 2017)</b>		
Delegates from Indian Organizations	INR 17000	INR 10000
Delegates from International Organizations	US\$ 600	US\$ 400
Delegates from Industry (India)	INR 70000	
Delegates from Industry (International)	US\$ 3000	
<b>Accompanying Person (for all the above categories)</b>		
Accompanying person (Indian national)	INR 5000	INR 3000
Accompanying person (International)	US\$ 300	US\$ 250

**Don't miss this opportunity to Register!**

Full details of registration fees, including early-booking rates are available [here](#).

## First list of speakers

**Peter Carberry**, *ICRISAT, India*

**Andrea Carminati**, *University of Goettingen, Germany*

**Mark Cooper**, *Dupont Pioneer, USA*

**Xavier Draye**, *Universitecatholique de Louvain, Belgium*

**Graham Farquhar**, *ANU, Australia*

**Delphine Fleury**, *ACPFPG, Australia*

**Baret Frederic**, *FNIAR, France*

**Jana Kholova**, *ICRISAT, India*

**Boris Parent**, *INRA LEPSE, France*

**Victor Sadras**, *SARDI, Australia*

**Julian Schroeder**, *University of California, USA*

**Robert Sharp**, *University of Missouri, USA*

**Niaba Teme**, *IER-CRRA, Mali*

**Stephen Tyerman**, *The University of Adelaide, Australia*

*..... and many more coming!*

## Conference topics

The conference will be organized under following technical sessions that will include invited lectures by eminent speakers. Several speakers will be selected from submitted abstracts.

- ❖ **Setting the biophysical context**
- ❖ **Maximising dryland crop production**
- ❖ **Plant productivity under drought**
  - Effective capture of water
  - Transpiration efficiency
  - Vegetative Growth
  - Reproductive development, yield, yield quality
- ❖ **Breeding for water-limited environments**
- ❖ **Agronomic management for water-limited environments**

A poster session will also be arranged to encourage participation of young researchers and interaction with each other in the conference.

## Proposed Workshop Topics

In addition to a rich Scientific Programme, few workshops topics are proposed:

1. GWAS and GS for crop improving
2. Tropical Legumes III

3. Intercropping of woody species in relation to facilitating drought resistance and buffering of water stress on crops
4. Trait Mapping & Molecular Breeding in Cereals workshop
5. Trait Mapping & Molecular Breeding for Drought Tolerance in Legumes workshop

Workshops are being planned on February 21, 2017. Participation in these workshops will be free for all the registered participants of ID-V.

### Book your Hotel Accommodation

Already registered for the meeting?

All ID-V events will be conveniently held at the Hyderabad International Convention Center (HICC) perfect for accommodating the compact scientific program schedule and maximizing networking time and making the most out of your time at the meeting.

### Book your accommodation at Hotel Novotel, Hyderabad, India (Venue hotel):

A limited number of rooms have been reserved for accommodation and are being offered in Hotel Novotel. You may please book your accommodation right now by clicking [here](#)

### Other Hotels:

Special negotiations have been made with a range of other hotels (See below).
